## WHAT IS CATHOLIC STEWARDSHIP?

Stewardship is...

...EVERYTHING we think, say, and do after we say "I believe"

According to the Archdiocese of Vancouver, Catholic Stewardship is (cont'd from last week's bulletin):

- Catholic Stewardship

is a love response. Once we allow God to truly take up residence in our hearts we become so overwhelmed by His abundant love for us that we just naturally feel the need to join our lives with Him and dedicate our time, talent and treasure to carrying out God's work here on earth. Our generosity comes from within and not from any external pressure or reward.

- Stewardship calls us to realize that each of us is called to give as God has given to us. We no longer base our giving on what others are giving. We no longer excuse ourselves from giving because we do not see others giving. Rather we give in proportion to all that God has given to us.

- Stewardship involves spending time with God. Recognizing that every day is a gift from God, we strive to spend some of each day with God, through prayer, Mass, Eucharistic Adoration, scripture reading, quiet, meditation and other spiritual activities.

- Stewardship involves sharing talent. Recognizing that God has given each individual unique skills and talents so that together we can do the work of Our Lord, we strive to share our own talents and to encourage and welcome others to also use their talents to carry out the mission and ministry of the Church.

- Stewardship involves giving treasure. Giving time and talent does not excuse us from giving treasure. We know that throughout the Gospels, Jesus challenged us to give as it has been given to us. Recognizing the tremendous financial blessings that abound in our country, we strive to give at least 10% of our resources back to God, to support the building up of God's kingdom. Although this level of giving may not be immediately possible, we are aware of what percentage we are giving back and regularly strive to increase the amount, taking small incremental steps toward giving a full tithe.

Little Johnny and his family were having Sunday dinner at his grandmother's house. Everyone was seated around the table as the food was being served. When Little Johnny received his plate, he started eating right away.

"Johnny! Please wait until we say our prayer." said his mother.

"I don't need to," the boy replied.

"Of course, you do" his mother insisted. "We always say a prayer before eating at our house."

"That's at our house." Johnny explained. "But this is Grandma's house and she knows how to cook."
